THE WISHING WELL

"And now," says Florence, "we drop a little stone into the Well and wish ever so hard." And so it all begins. CBC's "Wishing Well" series, heard on Sundays at 9.30 p.m. MDT is a flight into Fairyland, with fresh young voices speaking and singing, and the gossamer notes of an elfin violin. Here we see Douglas and Florence and Rose at the Wishing Well, about to drop the magic Stone. Douglas Rain, youthful Winnipeg actor, heard on many CBC dramatic programs; Florence Forsberg, charming young Winnipeg violinist are the principals of this light-hearted programme, written and directed by producer Bernard Deaville of CBC Winnipeg. The combined ages of the three children total 42—14 years each. Florence's lovely voice was heard previously on CBC networks in the Swedish programme of the "Canadians All" Series. Excited CBC producers subsequently predicted that Jenny Lind's successor had been found at last.

Local Notes

Walter Kramer has enlisted in the R. C. A. F. as an aero engine mechanic and will enter service in February.

Mrs. Walt Lemke, of Grande Prairie returned home Sunday after spending the past two weeks as a guest of Mr. and Mrs. E. Nowlin. Mrs. Nowlin returned with her as far as Calgary.

Several Stavelly residents attended the dance in the Community hall last Friday evening. Mr. and Mrs. G. Dupue were among those attending.

Word has been received here that G. S. McRae, proprietor of the Champion Chronicle is ill in hospital in Hamilton, Ont. with pneumonia. He is progressing favorably.

Mrs. M. Cemulini and Linda, accompanied by Mr. and Mrs. Wayne Anderson and Mrs. W. Bozarth were Lethbridge visitors Thursday.

Miss Dorothy Hummel has accepted a full time position with the Alberta Government Telephone System, replacing Mrs. Ken. Robinson.

W. Marshman, son of Ed. Marshman has enlisted in the Canadian Active Army.

Russell Hegland left Wednesday evening for Calgary to enlist in the army. Mrs. Hegland accompanied him and will visit for a few days in the city.

Miss M. Law, of the local school staff received word Monday that her father was seriously ill at their home in Edmonton of pneumonia. Miss Law left immediately for her home. Her father passed away Tuesday.

It can not too strongly be brought to the attention of all Canadians that this Christmas the Post Office is facing almost superhuman tasks in the distribution of mail. Not only will the volume of mail be higher than it has ever been, but lack of efficient help due to great numbers of experienced postal clerks having enlisted in the armed forces will complicate matters. Citizens can help by mailing parcels and letters as soon as possible and not waiting till the last minute.

All of Canada has pledged success to the Aid For Russia Fund. The Lieutenant-Governor of Alberta has lent his patronage to the fund. The Church also is backing the drive. It is felt that all of the freedom loving countries have a great debt to Russia for her valiant and courageous fight against Nazism. Contributions may be sent to the Canadian Aid For Russia Fund, Inc., 80 King Street, W. Toronto or to the Calgary Herald in Calgary.

Local Notes

Tommy Doyle left Sunday evening for Calgary to enlist in His Majesty's Forces.

Pte. Lester Myers, of Red Deer, nephew of Mr. and Mrs. Fred Clever was a visitor at their home last week-end.

During the absence of Miss Law, Mrs. H. Jopling is taking her classes.

Mrs. D. D. Farmer returned home Wednesday and is progressing favorably after her recent operation.

Miss Laura Chaproniere has returned to her duties at the telephone office after a month's absence due to illness.

Mr. and Mrs. C. G. Taylor were agreeably surprised last Sunday evening when they returned home from church. Their daughter and grandson, Mrs. J. D. Moore and Tommy were awaiting them at the house. Mrs. Moore had not notified her parents of her coming as she wanted to surprise them. Mrs. Moore and Tommy will be visiting here over the Christmas season.

At the annual meeting of the Alberta Shorthorn Breeders' Association held in Calgary, Alex McDougall of Champion was elected to the Board of Directors of the Association. He was also elected a Director to the Alberta Cattle Dealers' Association and a Delegate to the Calgary Exhibition Co.

A Dominion-wide campaign for the collection of fats and bones has been launched. Housewives are requested to save all fats and bones and fat cuttings and turn them in to their local meat merchant. Meat merchants will pay the housewife from 4 to 4½ cents per pound for dripping fat. This is a continuous campaign and is to last for the duration of the war. Get your fat and bones in as soon as possible to your butcher and keep on saving them.

Tommy Doyle Honor Guest at Dinners

Tommy Doyle, who left Sunday to enlist in the army was the honor guest at two dinners previous to his departure. On Friday evening Mr. and Mrs. Gordon Stewart entertained at a turkey dinner with all the trimmings. A number of young people were present. After the dinner they all attended the dance.

At his home on Sunday, Tommy was a guest at a goose and turkey dinner with all the trimmings. Present were Arnold Bond, Rex Caldwell, Walter Kramer, Bill Gatenby, Sam Schauermaier and Ellsworth Stewart. Tommy was presented with a silver lighter from the boys.

Tobacco Fund Receives Two Splendid Donations

The Chronicle Tobacco Fund was the richer this week through two very generous donations.

Tommy Doyle, secretary of the Champion Junior Hockey Club which was in operation till the war took away most of the players, brought in the sum of \$11.70 which had been left over from the activities of the club when it disbanded. On general consent of the members of the club it was decided to turn these funds over to the Tobacco Club as the boys overseas would certainly appreciate the smokes.

The second donation was made by Jimmy Anderson and was the money left in the treasury of the Senior Hockey Club when it disbanded for the duration of the war. It was also decided by the members of the senior club to turn this money over to the Tobacco Fund. The amount from the funds of the senior club was \$14.94.

The boys overseas will certainly be tickled when they hear of these two generous donations. The Chronicle wishes to extend to the members and former members of these two clubs very hearty and sincere thanks. The Chronicle Tobacco Fund has already sent over cigarettes to every boy overseas for the past four months. The fifth order will be sent next week. Nearly ninety dollars has already been spent for cigarettes. At the end of the year a detailed financial statement of the fund will be published.

Donations are continuously requested. They may be made to Mrs. M. Cemulini, convenor of the I. O. D. E. committee which assists the Chronicle in the management of the fund, or to the Chronicle office.

Wedding

Robinson—Taylor

A very quiet wedding took place at the United church manse in Champion, on Saturday, December 5th. Rev. Peter Dawson was the officiating clergyman, when Violet, eldest daughter of Mr. and Mrs. Geo. Taylor, of Champion became the bride of Kenneth M. Robinson.

The bride chose a delf blue crepe gown with navy accessories and carried a bouquet of yellow roses.

The bride's only attendant, Mrs. K. H. Bloxham, wore a gown of golden yellow crepe with a matching corsage of roses.

The groom was attended by P.O. K. H. Bloxham.

After the ceremony the couple left for a short stay in Lethbridge.

Mr. and Mrs. Robinson will make their home in Okotoks, Alta.

**REPLY TO MR. DAWSON'S
STATEMENT**

In the Chronicle of last week there appeared a statement by the Hon. Peter Dawson, M. L. A. regarding the proposed charges in

the Municipal District of Harmony.

Mr. Dawson states that one reason for enlarging the municipal districts is that the original boundaries were set when there were no automobiles and that transportation to the municipal seat was difficult. Surely this argument falls flat at this time when the farmer is finding it more difficult to operate under the restrictions on tires and gasoline. It is just as difficult, if not more so, for the farmer to get to his municipal seat now as it was then. On this very argument alone the government should postpone the enlarged unit idea till after the war.

Another reason for the enlarged unit, Mr. Dawson states, is to more efficiently spend the taxpayer's money, resulting in a lowering of the cost of government. That this is possible is only a theory and has no substantiation in fact. The only record the taxpayer has is the enlarged school unit. He was promised the same thing in that move—"lowering the cost of the government." But the record of the enlarged school unit or district is in almost all cases a record of tremendous increases of the mill rate. And the farmer can only see the same result when the municipal districts are enlarged.

Another statement Mr. Dawson makes is that as he represents several municipalities he cannot confine himself to any local condition. In this it is apparent that Mr. Dawson is in error if he considers the distaste of the enlarged unit idea is a local condition. The farmers of all municipalities feel the same. They see an increase in taxation, and a lessening of their own right to determine their municipal government.

The arguments put up by the government in support of this proposal have all failed to hold water. There can be no doubt in the minds of anyone that the government has ulterior motives in forcing this legislation upon the province against the wishes of the people.

The whole situation reminds us of a cartoon depicting the Japanese soldier, who is about to cut off the head of his Chinese victim, saying to him, "This is going to hurt you but it is for your own good."

**LETTERS FROM THE BOYS IN
UNIFORM**

Dear Stan:

Pardon the scroll but the pen is haywire. How's trick? I see you are still our editor, the boys I mean. I finally got what I'm after. I'm in aircrew now as a P. or O. I report to Victoriaville on the 6th. I'm shooting for a commission and from the recommendations I got and what I've been told by senior N. C. O's. I've got a good chance. You told me to write and let you know of a change of address. Well this is final notice if you want to call it that because I sure want the paper. I keep hoping that it won't miss me because at least I know what my friends are doing. What is Bill G. going in the Airforce as? Give him my best regards and tell him not to stick his neck out or he'll get bopped and good and hard. Well Stan, thanks a million for the paper. I'll see you sometime in Feb. 43. Give my regards to your wife.

Dick Depue.

Dear Stan:

Just a few lines to thank you for the Chronicle which I have been receiving regularly.

There is nothing like getting the old home town paper each week to keep in contact with everybody at home.

Well Stan, everything is going fine here and thanks again for the paper.

Yours truly,
Jack Chaproniere.

Prices of TEA, COFFEE AND ORANGES *are reduced by law!*

This action is taken in line with the Government's declared determination to stabilize living costs on a basis that is fair to all. It is a developing attack on the menace of inflation which arises out of wartime conditions. The prices of tea, coffee and oranges are now lowered by official order. Plans for reduction in the price of milk to the consumer are also under way and will be announced in the near future. The items chosen have been selected because of their important place in the weekly budget of every home in Canada.

TEA and COFFEE Effective now—the retail price of tea is reduced by 10c per pound and the retail price of coffee by 4c per pound below the recent lawful ceiling prices.

The table below indicates how the reduction of 10c per pound applies to less-than-pound packages; and is for purposes of illustration only.

Tea formerly selling by the pound at...	\$1.00	90c	85c
Must now sell at			
per pound.....	90c	80c	75c
per 1-2 pound.....	45c	40c	38c
per 1-4 pound.....	24c	22c	21c
per 1-8 pound.....	13c	12c	11c

BULK TEA

The reduction in the maximum retail prices of bulk tea sold in quantities less than a pound should correspond to the reduction in retail prices for the small sizes of packaged tea.

TEA BAGS

Reductions in retail prices of tea packaged in tea bags must correspond to those made on packaged tea.

ORANGES Oranges must be reduced to give consumers the benefit of the reduction in cost to retailers brought about by lower prices for the new crop, by seasonal removal of import duty (effective December 1st, this year) and by the removal of the War Exchange Tax. Oranges should sell at or below the September-October 1941 retail price levels.

**BE SURE THAT YOU GET THE FULL
BENEFIT OF THESE REDUCTIONS****SPECIAL NOTICE TO RETAILERS:**

Retailers will be compensated for any loss on present stocks—in order that these reductions may be enjoyed by the public immediately. Retailers should take inventory of their floor stocks of tea and coffee as of the close of business, Saturday, December 5th. They will shortly receive forms upon which to make their claims for compensation for losses on inventory due to these price reductions.
